

# Looking to buy property?

You're invited to our free Home Buying seminar hosted by CommBank Cannon Hill Branch.

Buying your first property, upgrading to your dream home, or looking to invest? Knowing where to start can be the biggest hurdle. The right tools and support will get you moving with a little more confidence.

## This event will feature:

- Guest speaker/s who are experienced in the local property market and are industry specialists
- Information to help you understand if property investment is right for you
- A demonstration on how to use the latest technology to give you a home buying advantage
- The opportunity to obtain complimentary local property reports.

The health and wellbeing of our customers and staff is our priority, so spaces are limited and you must be registered to attend this event.

RSVP today so you don't miss out.
